

Equipment Loan Program

Indiana Astronomical Society

- Are you new to astronomy?
- Looking to buy a telescope but not sure what to get?
- Why not borrow a scope so you can get some hands-on experience before making your decision?

About the Equipment Loan Program:

- The IAS has a small pool of telescopes, eyepieces, and binoculars
- The program is open to all IAS members in good standing
- Loans are short term (typically one month), but the loan can be readily extended as long as no other members are waiting

The Equipment Pool includes:

- Several 6 inch Dobsonian Telescopes
- A 10 inch Dobsonian Telescope
- 10x30 Image Stabilized binoculars
- 10x56 binoculars

For more information, contact the Equipment Loan Coordinator: Phil Dimpelfeld - equipment@iasindy.org
